Principal’s Message

As a community we’ve enjoyed a wonderful start to the term with three special community events - the Teddy Bears’ Picnic where we warmly welcomed 2105 Kindergarten students and their families, the Car Boot Sale where we opened our grounds to stall holders and buyers from far and wide and lastly the Creative Arts Festival where we showcased the breadth of creative arts projects and talents/efforts of the students and staff. Our school was a buzz with school spirit and pride and I’d like to thank the staff, students and community members who so generously gave their time and energy to make these events extra special.

I’d like to extend particular thanks to;

- The Car Boot organising committee - Micha Vallis (dad to Orlanda), Sascha Jenkins (mum to Hal and Alfred) and Annabel Kain (mum to Charlie and Spencer) and to the whole school community for their contribution – buying a car spot, baking, BBQing, helping set up and clean up, baking and making lemonade syrup, selling food, manning stalls and encouraging the support and attendance of family and friends.

- Lisa Haller (Assistant Principal K-2) and the ES1 and Stage 1 teaching teams for their leadership and organisation of the Teddy Bears’ picnic.

- Meghan Ryan (Creative Arts Coordinator) and David Lewis (Parent Music Committee Chair) for their leadership of the extensive Arts Program at CPS.

And while I’m thanking and acknowledging people, I’d again like to thank Mai Quintal and all the families for their support of the walk-a-thon. A staggering $8500 was raised which will go towards additional infrastructure to support ICT and 21st century learning in the classrooms. What an outstanding community achievement!

Update on farewell options for Mr & Mrs Elwell

During the holidays I received an email from Janette and David Elwell requesting that no farewell be organised for them. They cited the reasons that they are very private people and that from their perspective this would be undue fuss under the circumstances. Whilst I took the opportunity to respectfully disagree with them, I said that the community would respect their wishes though of course hoped they’d change their minds. After discussions with staff, students and the community at the P&C meeting it was decided to take up a community collection which would go towards the purchase of a substantial gift for Janette and David - something like a gift voucher for travel (suggestions are welcome). Please forward any donations to the front office labelled, Community Gift for the Elwells. Grace Valastro (class teacher K/1V) is also coordinating a community keepsake in the form of a book. If your family would like to contribute a page to the booklet please make contact with her - grace.valastro@det.nsw.edu.au
**World Teachers’ Day**

Next Wednesday morning 29th October, David Taffa (P&C President) Harvey Zapatero (General Assistant) and I will be cooking breakfast for the teachers in recognition of World Teachers’ Day. It’s my hope that on this day, students, parents and community members can also demonstrate their appreciation for the contributions that teachers make to this community and society in general. The teachers at Canterbury Public School are a group of highly committed and dedicated professionals and I feel deeply privileged to led and work alongside them.

**Staff Development Day**

This Saturday, 25th October 8.45-2.30 staff and representatives from the P&C will head to Botany Bay Environmental Centre Kurnell, to determine our school’s strategic directions for the future. Data I have collected from students, staff and community groups indicate several areas for future development. These are listed on the following page.

Lastly, I’d like to share some positive feedback we’ve received in the past few weeks.

We received a very generous donation by Luis (he preferred his donation was partly anonymous and wouldn't leave his surname) who was an ex student from 1981/2. He donated $500 as an expression of his gratitude for the education he received at Canterbury Public school at that time.

“Dear Canterbury Public School, Thank you for the generous donation of funds provided by the Western Suburbs Leagues club following a nomination by your school. Stewart House, as a not for profit organisation, must raise $3.1 million annually to cover operating costs to ensure 1800 children have the opportunity to receive quality care over a twelve day program. Your continued support will enable us to meet the future needs of children from public schools in NSW and the ACT. Please accept our sincere thanks for supporting Stewart House. Graeme Philpotts - Chief Executive.”

“Dear Berinda, Thank you for releasing Bryony heath earlier this year to work on teaching strategies for writing. During her time with the High Performance team, Bryony demonstrated her high level knowledge of literacy development and teaching. She displayed exemplary dedication to her work and strong commitment to public education. Thank you again for your support. Eric Jamieson - Director High Performance and Learning DEC”

“Dear Ms. Cook, Our family will be returning overseas and would like to thank you for enriching our daughter’s education. A special thank you to Ms. Ciantar and Ms Ryan for leading her in extracurricular experiences that she’s never come across before. Thank you to Mrs Wright for showing care and love to our daughter, especially for PSSA activities. Thank you everyone for everything. What a happy Canterbury Public School family. We will truly miss you all.”

Also please remember;

- **Green Thumbs and Market stall this Friday** - I’ll be baking something with lemons as a key ingredient as I’ve still got leftover lemons after making lemonade syrup for the KidsMatter booth at the Car boot sale.

- **Friday evening 31st October Halloween Disco** (unfortunately I am not able to attend as I’m at a family celebration in Tasmania that weekend and have leave on Friday 31st and Monday 3rd Nov.) but I know it will be great fun!

- **Kindergarten Orientation Days** – 5th, 12th and 19th November 9.30-11.00am

- **Presentation of NAPLAN data** will take place at the next P&C meeting 19th November.

- **Multicultural Day** (Grandparents will be especially invited to this day and will have a special role in demonstrating favourite family recipes and crafts) - **Wednesday 26th November**. PLEASE ask GRANDPARENTS to save this date on their calendar.

**Berlinda Cook**

Independence of mind – making your own decisions, Encourage circle time every day xx, More languages xxxxxx different languages xx, Aboriginal culture, Advertise the band/strings program better, More choice of contact and non-contact sports (basketball xx), Make PSSA selective, Encouragement of careers (my interpretation, maybe making the connection to the real world more explicit), More leadership opportunities, More subject choice x and students getting to pick their subject xx (children should have a say in what they learn), More activities that draw you in, Activities where you get to work with your friends, More cultural subjects x learn about other countries and schools, Starting library projects earlier, Improve learning spaces, Gardening – not just on Green Thumbs days, Classes working together more often x, inter-stage classes, SOLE in every class, Tailored literacy groups to your level x get rid of Daily 5, bring back literacy and spelling groups, Opportunities to have different teachers xxx (say every Friday), different learning environment every Friday, use other areas of the playground xx moving around, not in the same classroom all the time, More performances, Having more time with pre-service teachers, Continuing technology projects / BYOD program xx, Library lessons to be more balanced (not all Indigenous content), Some teachers being true to their work – not following through on projects that everyone likes, changing plans etc., More group work and interest groups xx and interactive x, Some teachers could put more ‘joy’ into their work, More interaction with the high schools, Adding in breaks after each session of learning, More drama xxx, Some tutoring for students xxx, Teamwork as a school through competitions, Better school uniforms xx even teachers wearing uniforms, suggestion : Friday is mufti xx(more opportunities for mufti please), More chemistry/science, Actual technology classes, This school is good already, I think the school is good the way it is., More male teachers xxx, More hands on activities for PD and science, Make HW more fun by having enjoyable activities and a mix of online (e.g. mathematical games), NO homework xx, More canteen lollies and food, More time on computers

Community – areas for improvement

More opportunities for leadership, not just students in SRC, More scope for independent learning / projects & research, Learning self-organisational skills, More science, geography and history to build literacy skills, More sport and movement (yoga), Languages and learning about other cultures xxx, Community and belonging, Teamwork/cooperation, 21st century learning xx BYOD, Looking outside, Male teachers and role models, Problem solving, Interaction with high schools, More drama, performance, choral speaking, poetry and plays, More music in classrooms, Clarity of communication – more advanced notice for outside school events, Opportunities for exploring students’ strengths – harnessing the excitement of learning (not just allowing bright kids to coast along without challenging themselves), Make sure all learning environments are inclusive and secure, Having a strong foundation for all students to succeed – literacy/numeracy/goal setting/personal bests, Taking learning outside the classroom and linking it to the real world – encourage relevance to the real world and future careers, There are so many opportunities (better communication of what’s already there).
Captains’ Article - Mr and Mrs Elwell

We have been attending before and after school care since kindergarten. We are sad to see them go. We are now saying thank you for all these years of kindness, hospitality and putting up with us kids. We know that they will go with a sense of happiness and we wish them luck for the rest their lives. Mr Elwell was the joker who made everyone, regardless of mood, laugh. Mrs Elwell was the avid bulldogs’ fan, who took care of us and comforted us. They will be sorely missed by every student and teacher in the school. We thank them very much and wish them farewell.

REWARDS FOR REGULAR SAVERS

School Banking is rewarding regular savings by sharing the Dollarmites latest find, precious prizes from the ancient Clam of Fortune a mythical shell packed with precious prizes.

What’s even better is that they want to share their haul with you.

All you need to do for a chance to win is make a deposit of any amount through School Banking between 20th October - 30th November 2014, each deposit automatically receives one entry into the competition.

The precious prizes you could win:
- 40 x GoPro HERO3 White Edition Cameras
- 150 x Slip ‘N Slide Double Wave Riders

The more regularly you save, the more chances you have to win a prize.

SMART SCHOOL SAVERS COMPETITION

We recently measured the Savings IQ of the nation and found that Australians who learn about money management at school grow up to become smarter savers in their adult life. So we know that our School Banking program pays off.

To celebrate our next generation of skillful savers, we have launched a Search for Australia’s Smart School Savers.

Parents can visit www.commbank.com.au/smartschoolsavers and have their child tell us in 50 words or less what they are saving for and how they plan to achieve it. The competition is open to children aged between 5 to 12 years of age.

There are some great prizes up for grabs – including a national prize of $1,000 and iPads for six regional winners.
Thanks to all the people who contributed to our inaugural Car Boot Sale, either by booking a spot to seek their wares, shopping, or working on the stalls for the school. We had a great response from the local community, 90 cars in total on the day, and lots of people asking when the next one will be!

If you have any feedback about this event please send an email to annabel.kain@bigpond.com.

Over $3500 was raised for the P&C coffers. We are still saving for more improvements in the school’s outdoor environment. The playground working group will provide an update at the next P&C.

Events and Fundraising Meeting - Thursday 6th November, 7.30pm, Staffroom

All welcome, this group meets from time to time and you don’t have to commit to being on a committee. This meeting is to review events we’ve held this year and to do some important preliminary planning and scheduling for next year. Send an email with your feedback and ideas.

3rd May 2015 is the date for the School Fete. If you have any interest in organising a stall please get in touch even if you can’t make this meeting. We can link you up with someone with the same interest or who has run a stall before. Best to put your hand up now for something you would really like than be sweet-talked into something else!

RSVP - Annabel.kain@bigpond.com

Canterbury Public School kicked off our Waste Reduction Project during Enviro Week 2014 in Term 3.

The Waste Reduction Project is funded by the NRMA Environment Grant and our aim is to develop a whole-school approach to sustainability by reducing landfill waste produced at eating times by 50%.

All teachers and students took part in a Waste and Litter Audit of school eating areas and recorded the results. This is our baseline data for improvement.
