Principals Message

Volunteers are special and at Canterbury Public School we are fortunate to have so many members of the community volunteer their knowledge, skills, life experience, wisdom, energy, passions and time to make a huge difference to the educational, emotional and social outcomes of the students. Our volunteers greatly contribute to the heart and soul of the school and the strength and spirit of the whole school community. This is a constant source of pride for students, parents, staff and the broader community.

Our school volunteers help in the canteen, in classrooms with reading and other curriculum areas, participating in gardening bees, offering their professional skills in specialist areas (design, work healthy and safety, sport, grant writing, research, construction, accounting and music – just to name a few), coordinating and lending a hand at fundraisers, sewing costumes, selling uniforms, coordinating playgroup, covering books, taking photos, gardening, offering transport to events and supporting a whole range of other school activities.

Volunteering also has many personal and health benefits for the individuals such as meeting new people, developing new skills, supporting a good cause, having fun, and that intrinsic feeling of having made a difference.

This newsletter can be found on our school website http://www.canterbury-p.schools.new.edu.au/
We are fortunate to have so many volunteers at our school and we NEED MORE.

**We are currently looking for volunteers in the following areas.**

1) Helpers in the canteen especially on Thursdays and Fridays. Even if you can spare 1/2hr this would be greatly appreciated.

2) A volunteer to design posters and promotional material for the canteen. This job could be done from home or after work hours.

3) A graphic designer (or someone with artistic and technology skills) who might like to jazz up and format the newsletter each week - all content will be provided.

4) A parent to join the canteen committee and research healthy and tasty menu items.

5) Community members to serve gelato every Friday afternoon after school as an additional canteen item - set up at approx. 3.10pm and pack up just after 3.30pm.

6) An auditor - Does anyone know of a community member (it can’t be a parent who currently has children at the school) who could audit the canteen’s financial records in a volunteer capacity?

Sometimes families are unable to volunteer their time or services but still like to make a contribution through donations. We are currently also looking for the following goods to be donated: **pots and pans** for use in the canteen (the ones we have are copper based and don’t seem to be working effectively on the electric cooktop), an additional **pie maker** (the canteen has one but orders for pies on Fridays are exceeding capacity).

This week we celebrate Education Week and mark 60 years of this event - being a feature and highlight of the school year. The theme is 'Lighting the Way to a Better World'. At Canterbury Public School we are lighting the way in so many areas I think our school can probably be seen from space! The highlights from the past fortnight have been; the Special Education classes' excursions to Wombat Stew and the gymnastics program at the YMCA, a special and moving community evening in celebration of NAIDOC week, Start Smart presentations for students K-6 focusing on financial literacy, Basketball workshops for the whole school, participation by students in years 2-6 at the Carnival of the Codes, participation in the State Football Gala day, a terrific athletics carnival, a very productive gardening working bee (check out the entrance to the school, the new garden bed looks fabulous!), outstanding Waterwheel presentations by the Stage 3 students, Years K-2 representing the school at National Tree Planting day on the Cooks River, The Today Show did their morning weather crosses here on Monday 21/7 and a public performance by our musicians and dancers at Ashfield Mall. Reflections and photographs about these events are shared in the body of this newsletter.

Thank you to all the staff and community members who contributed to making these events possible - there are too many to list individually this fortnight.
Tomorrow, I look forward to meeting some of our 2015 families and students at the Preschool information session and to spending time, with those in the community who are able to join us, at the OPEN DAY. Tomorrow we will also launch the KIDS MATTER initiative. Classroom teachers will be facilitating lessons which will focus on social and emotional learning. Current educational research supports that social and emotional learning is critical in improving students’ physical & mental health and wellbeing, decreasing stress and anxiety and improving educational outcomes. Following the lesson, parents will have an opportunity to learn more about this initiative by attending a parent workshop in the library. The OPEN DAY will conclude with a mini concert in the hall and shared lunch. A ‘meal deal’ for adults of chicken and corn soup with a bread roll for $3.00 will be available from the canteen. Also, please send your child with some extra money to spend at the canteen as Nicole has a number of special treats which can be purchased.

For more information about Kids Matter, please refer to this website.  https://www.kidsmatter.edu.au/

Next week, please keep our choristers and Years 3-6 dancers in your thoughts and send them well wishes as they preform next Monday at the Choral Festival at the Opera House and the Stage 2 and 3 students as they perform at the Wakakirri Dance Festival at NIDA on Tuesday evening. Good luck everyone. Break a leg!

Berlinda Cook
Principal

If you have a talent or skills you’d be happy to share with us in the future. Please let us know. We’ll add this information to a register of parents’ skills. Please feel free to nominate the names/skills of relatives and community members who would also be willing to share their skills.

Name/s:____________________________________________________________________________________________

Child/ren’s name and class:____________________________________________________________________________

Skill, talent or professional expertise I’d be willing to share:
____________________________________________________________________________________________

This newsletter can be found on our school website—
Can your Students Climb Sydney’s Tallest Building?

We would love to invite your students to be part of the ‘School’s Challenge’ at this year’s Sydney Tower Stair Challenge on August 24. This is a great chance for teams of 4 to take on the 1504 stairs from Pitt Street Mall to the Observation Deck at the Sydney Tower Eye. **Participants have to be 12 years or older.**

Each stair climbed will assist Giant Steps who operate a school and intervention service for children and young people (2-20) who have been diagnosed with Autism Spectrum Disorder.

For more information and to register simply go to [www.active8change.com.au](http://www.active8change.com.au). Alternatively you can contact Steve Corrie at Active8Change on 0439 975 759 for specific event day information or Michelle Jocum at Giant Steps on (02) 9879 4971.

---

**SUPPORT UNIT ADVENTURES**

In Week 1 of this Term, the students in our Support Classes at Canterbury attended an excursion at The Enmore Theatre, Newtown. We watched a great musical performance/play related to the popular children’s book *Wombat Stew.* The performance was interactive with the audience and very funny! The students gave some great feedback and really enjoyed the show. Their maturity and patience whilst travelling on public transport was fantastic to see. A great day was had by all!

We are also participating in a [Gymnastics Program](#) this Term, to supplement our PDHPE Programs, run by Bankstown City YMCA. This is an 8 week program whereby students will have a chance to increase their balance and coordination, loco-motor and non loco-motor movements, as well as develop their social skills. We look forward to seeing the benefits of such a great program, lead by a team of experienced trainers, particularly for children with disabilities. Thank you to the YMCA for transporting our classes in their bus!

Gina Perez

---

**Wakakirri Tickets**

If you have paid for Wakakirri Tickets they are now ready for collection from Mrs Hanna’s office.
**Basketball Clinic**

On the 28th of August, a clinic was conducted by Basketball NSW. It was organised by Mr. Rick Bywater from the association and Mr. Allan Morris from the parent community. It ran half an hour sessions whereby school children learnt ball handling, improving shooting accuracy, dribble and understand offensive and defensive moves.

The clinic was a huge success. The children were delighted at this experience and the school is thankful to the coordinators for taking their valuable time to bring this event to the school.

**Be clever with your coins! StartSmart!**

Students in Stage 1, Stage 2 and Stage 3 participated in the StartSmart Program presented by the Commonwealth bank. Each student took part in a lesson targeting Financial Literacy. The StartSmart Primary program teaches the value of money in a way that students can understand and enjoy.

Grace Valastro (co-ordinator)

**Athletics Carnival**

The Athletics Carnival took place last Tuesday 22nd July and was attended by K-6 students. The carnival included running events as well as novelty events such as egg and spoon, captain ball and sack races. It was a relaxed day with plenty of sunshine. Thanks to all the parents and teachers for their help in making the day a success.

The zone carnival takes place on Tuesday 5th and 12th August.

Nicole Cushway
EDUCATION WEEK – CPS at ASHFIELD MALL

As a part of Education Week, our Band, String Ensemble and Dance Group were invited to showcase their talents at Ashfield Mall on Tuesday 29 July. Firstly our Band demonstrated their gold medal act from Engadine, ably led by Rhea Sullivan, in Kane’s absence. Next, 3 groups of dancers executed their own choreographed presentations. The final act was Rhea’s String Ensemble, including some of our students performing for the first time. I was a very proud teacher, as all students represented our school with flair. Well done!

Mrs Ryan

CARNIVAL OF CODES

The Carnival of Codes was a great opportunity for our students to experience some new sports. Children from Yrs 2-6 tried lawn bowls, athletics, touch football, cricket and basketball.

The event was held at Canterbury Boys High School.

Thank you to Canterbury Hurlstone Park RSL for sponsoring the event.

Groups School Photo’s

Groups school photos ie sporting teams, choir etc can be viewed at Mrs Hanna’s office. Envelopes are available from Mrs Hanna to place orders for these photos.

The photos cost $14 each, 2 for $26, 3 for $36, 4 for $44 or 5 for $50. Any additional orders over 5 photos are $10 each. Discount only available per family order.

Orders need to be placed by 25 August, 2014. Thank You
A great night was had by all. It was lovely to see so many families come along, brave the cold and celebrate NAIDOC week and Australia’s first peoples. A special thanks must be said to everyone who worked very hard to make this night successful and fun for all.
Joint School Community National Tree Day Event 2014

This fantastic event was organised by Claudia Tessadri (Teacher - Canterbury Boys High School) and Nell Graham from Canterbury Council. Students from Canterbury Public and Ashbury Public were invited. So, last Friday Miss Heath took 7 students from Canterbury Public School on a National Tree Day excursion to work with students from Ashbury Public and Canterbury Boys to re-vegetate an area of the Cooks River alongside Cup and Saucer Creek.

Despite the drizzle it was ‘all hands on deck’ and 450 seedlings were planted. It was a lovely opportunity to work alongside students from different schools and many friendships were formed - our 2 Kindergarten students were particularly popular!

After the planting there were a whole lot of games and a tour of the wetlands. One of the many highlights of the day was when Freddie Grose (1/2R) spotted a frog near our newly planted area. This was proof of the importance of this area as natural habitat. The Mayor of Canterbury, Brian Robson also visited to personally hand representatives from each school certificates in recognition of their contribution to the local environment.

Throughout the day CBHS students were wonderful role models for our students. This excursion was an absolute delight for all the students and teachers involved.
Head Lice

While children are at school many families will have contact with head lice. The information contained here will help you treat and control head lice.

Catching head lice
Head lice have been around for many thousands of years.
Anyone can get head lice.
Head lice are small, wingless, blood sucking insects.
Their colour varies from whitish-brown to reddish-brown.
Head lice only survive on humans. If isolated from the head they die very quickly (usually within 24 hours).
People get head lice from direct hair to hair contact with another person who has head lice. This can happen when people play, cuddle or work closely together.
Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.

Finding head lice
Many lice do not cause an itch, so you have to look carefully to find them.
Head lice are found on the hair itself and move to the scalp to feed. They have six legs which end in a claw and they rarely fall from the head. Louse eggs (also called nits) are laid within 1.5 cm of the scalp and are firmly attached to the hair.
They resemble dandruff, but can’t be brushed off.
Lice can crawl and hide. The easiest and most effective way to find them is to follow these steps:

Step 1 Comb any type of hair conditioner on to dry, brushed (detangled) hair. This stuns the lice and makes it difficult for them to grip the hair or crawl around.
Step 2 Now comb sections of the hair with a fine tooth, head lice comb.
Step 3 Wipe the conditioner from the comb onto a paper towel or tissue.
Step 4 Look on the tissue and on the comb for lice and eggs.
Step 5 Repeat the combing for every part of the head at least four or five times.
If lice or eggs are found, the hair should be treated.
If the person has been treated recently and you only find empty hatched eggs, you may not have to treat, as the empty eggs could be from a previous episode.

Treating head lice
Treating head lice involves removing lice and eggs from the hair. There are two ways you can do this:

1. Buying and using a head lice lotion or shampoo, following the instructions on the product ;
2. Using the conditioner and comb method (described under ‘finding head lice’) every second day until there have been no live lice found for ten days.
If you choose to use a head lice product always read and follow the instructions provided with the product carefully.

The following points may also be helpful:
• Head lice products must be applied to all parts of the hair and scalp.
• No treatment kills all of the eggs so treatment must involve two applications, seven days apart. The first treatment kills all lice; the second treatment kills the lice that may have hatched from eggs not killed by the first treatment.
• Cover the person’s eyes while the treatment is being applied. A towel is a good way to do this.
• If you are using a lotion, apply the product to dry hair.
• If you are using a shampoo, wet the hair, but use the least amount of water possible.
• Apply the treatment near the scalp, using an ordinary comb to cover the hair from root to tip. Repeat this several times until all the hair is covered.
There is no need to treat the whole family - unless they also have head lice.
Concentrate on the head - there is no need to clean the house or the classroom.
Only the pillowcase requires washing - either wash it in hot water (at least 60ºC) or dry it using a clothes dryer on the hot or warm setting.

Head lice combs
Combs with long, rounded stainless steel teeth positioned very close together have been shown to be the most effective, however, any head lice comb can be used.

Head lice eggs
Head lice eggs are small (the size of a pinhead) and oval. A live egg will ‘pop’ when squashed between fingernails.
Dead eggs have crumpled sides and hatched eggs look like tiny boiled eggs with their tops cut off.

Preventing head lice
Check your child’s head regularly with comb and conditioner. There is no research to prove that chemical or herbal therapies can prevent head lice.

Further information
The following website offers further information:
**Dates for your Diary**

**Canterbury Crunch Gelato Stall:**  
Friday 8th August 3.20pm outside the staffroom

**P&C Meeting:**  
Wednesday 20th August 7.30pm in the Staffroom

**Green Thumbs Market Stall:**  
Friday 22nd August 3.15pm - 4.00pm under the Jacaranda Tree

**Garden Working Bee:**  
Saturday 23rd August 1.30pm-4.30pm, Saturday 13th September

**Fathers Day Breakfast:**  
Friday 5th September 7.30am - 9.20am outside the staffroom

**Car Boot Sale:**  
Sunday 12th October 10.00am- 2.00pm

---

**Thank Goodness It’s Friday! Gelato!**

**Friday 8 August**  
To celebrate the beginning of the weekend Canterbury Crunch will be selling two exciting flavours of Gelato after school! For just $2 you can grab your delicious gelato to eat on your way home!
Keep up to date with the Weekly Specials at the P&C webpage www.cpspnc.org.au and like us on Facebook https://www.facebook.com/pages/Canterbury-Public-SchoolPC/544192612287164?ref=stream

Thank you to everyone who volunteered at the Canteen in Week 1 & 2: Dorothy Jamieson, Linda Clark, Georgette Koorey, Suzanne Trimmer, Mel Brungies, Amanda Barker, Dawn Tuften, Nola Williams, Sascha Jenkins, Dora Favaloro and Nicole Sun.

Looking for volunteers for shifts in the canteen in Term 3.
If you can spare some time, that would be great.
Please email Linda Clark at landmclark1998@yahoo.com.au with your availabilities

P&C News
AUTUMN WINTER MENU
is on the P&C Website
lots of delicious winter warmers & treats!!

Week 4
Wednesday Special
Nachos

Crispy corn chips topped with sumptuous meat, cheese & avocado
$3.50

Thursday
Hamburger Week 4
Aussie Burger
$3.50

Friday
Pie Week 4
Beef Burgundy
$3.50

Wednesday
Soup Week 4
Pumpkin
$2.20
Some background...

Canterbury Crunch is run by parent volunteers who manage the canteen as a not-for-profit business and employ Nicole as our manager. The P&C took over the running of the canteen in Term 2 2012, after much planning and a lot of hard work! A group of parents took over the running of the canteen because we were dissatisfied with the quality of food previously on offer. We wanted to offer the children nutritious food made with quality ingredients at a reasonable price.

Our Policy...

We have recently undertaken a review of our policy and have placed it on the P&C website for comment. Please take a moment to have a look and see how we run the canteen; after all, we are acting on your behalf and you have a right to have your say…Check it out here:

http://canterburypublicschoolpnc.org.au/canteen/

Our Approach...

You will note in our policy interesting information like the following:

Where possible, the food served in Canterbury Public School Canteen:

- is fresh and seasonal;
- is sourced from local suppliers;
- is free from chemical additives;
- is of a moderate serving size;
- is minimally processed and packaged; and
- reflects our diverse community.
- is affordable.

Check out the webpage to see what else we have to say…

Your Support...

We welcome, encourage and (desperately!!) need your support whether it be through attendance at meetings, putting your hand up for a shift in the canteen, doing computer work at home or just giving us feedback! Please contact us if you can be of service:

info@cpspnc.org.au

from The Canteen Committee.
After a downpour on Saturday morning, when the sun came out, it was a beautiful way to spend a couple of hours. And those weeds were so easy to dislodge! A BIG thankyou to all those who came out on Saturday afternoon to work on the school gardens at the bee: John Safor, Imogen Craney, Annabel Kain, Jenny Allen, Emma In Der Maur, Anne Tiedemann, Amanda & Tony Barker and families. Not only did we run a 'regular' bee, but we also held a 'Frontyard Makeover' spearheaded by Amanda.

In the veggie garden it was nearly all about MULCH as we started to lay down old carpet and underlay between veggie beds to suppress weeds and covered them with a thick layer of wood chip mulch and we mulched using pea straw around the new baby lettuces, the tiny ruby chard sprouts & cabbages. We also dug out a small section ready to plant sunflowers and we cleaned out the small green shed.

Meanwhile, at the front of the school....Amanda, Anne and Tony were working tirelessly to transform the front entryway to the school office. Beautiful sandstone rocks (courtesy of David Taffa) were carted and arranged to create a front edge to the garden. After wielding mattock and hoe to loosen up the compacted soil the garden bed was filled with Clivias transplanted from the Tiedemann’s garden, which frame the matchstick Bromeliads transplanted from the Barker’s garden. These easy-care plants should mean the entrance to the school will be looking good for years to come.

Can be picked: wild rocket, silverbeet (sparingly), rosemary, curry plant, oregano, parsley (sparingly), lemongrass...
Growing - please don’t pick me yet: lettuces, tomatoes, cabbage, peas.
Empty boxes are to be planted near the end of term for spring growing.

WANTED: More old carpet offcuts, underlay, hessian or newspapers - please pop them just inside the green shed.

Getting Involved: Did you know that we grow veggies that the canteen uses to make kids and teachers lunches? If you enjoy spending time in the garden and would like to get involved somehow whether it be watering occasionally, weeding, helping the kids at Green Thumbs, converting produce into recipes for our market stall, helping on the stall, donating plants, seeds or pots or collecting manure from the stables, or something else, please contact Natalie at nat_thecat_bishop@hotmail.com
Ready for Action? Green Thumbs, Friday

A filming location last week, working bee frenzy on the weekend now it’s time for student action.

Green Thumbs, Friday, 1 August, 3.20 – 4.15 pm.
Meet at the vegie garden. All welcome. Lots to do including welcoming two new brooms, kid size, from Tumut.

Afternoon tea provided for workers. Hope to see you there, parents and carers most welcome.

Next Market Stall: Friday 22 August

And for the diary, the next market for school grown and home grown and home-made produce is on Friday 22 August.

It is the only market this Term.
Trade, stock up and visit the gardens and see what’s growing, what’s new and what we’ve been able to buy for the garden with your generous support.

Can your Students Climb Sydney’s Tallest Building?

We would love to invite your students to be part of the ‘School’s Challenge’ at this year’s Sydney Tower Stair Challenge on August 24. This is a great chance for teams of 4 to take on the 1504 stairs from Pitt Street Mall to the Observation Deck at the Sydney Tower Eye. Participants have to be 12 years or older.

Each stair climbed will assist Giant Steps who operate a school and intervention service for children and young people (2-20) who have been diagnosed with Autism Spectrum Disorder.

For more information and to register simply go to www.active8change.com.au. Alternatively you can contact Steve Corrie at Active8Change on 0439 975 759 for specific event day information or Michelle Jocum at Giant Steps on (02) 9879 4971.
Canterbury Crunch

Do you have flair for poster design? An interest in Healthy Eating?
Canterbury Crunch needs an enthusiastic volunteer to help promote the Canteen Menu, Weekly Specials, Special Theme Days, promote ‘Green food’, organise ‘taste testing’.
No experience necessary - lots of resources to assist you.
Please contact Suzanne chris_suzanne@optusnet.com.au if you have any queries or are able to assist.

Walkathon - end of Term 3 - Assistant organiser
Canterbury hasn’t had a walkathon in a few years, but the School is planning to do this at the end of Term 3, both as a day to promote physical activity and to raise some money to upgrade the IT infrastructure in the classrooms.

Mai Quintal has been tasked to organise this. Mai is new to Canterbury PS and it would be a great event for a teacher/parent. Mai has collected some information from other schools – you might have some ideas or experience of your own. Please contact Mai directly if you would like to help, or email annabel.kain@bigpond.com

Father’s Day BBQ – Friday 5th September
Assistant organiser
Lisa Wright and the SRC have taken on this event this year, but would like a parent or two to help organised. This is an EASY event – it needs a little bit of promotion in the School community, working out how many orders, organising the purchase of food and drink, and some cooking/serving for an hour or so.

Proceeds from this day will hopefully pay off the last of the sports tops for the PSSA teams. Lisa has done an outstanding job getting all the Yr 3-6 kids out every Friday to PSSA sports, and now they will look the part! Please let Lisa know if you can take this one on.
There are organisers for each of these and for the overall logistics, however we will need people to do some letterboxing in the neighbourhood in the next few weeks (contact Annabel), and have a few jobs on the day - gate and carpark attendants between 9am-10am, and workers on the three stalls from 9am - 2pm. Please email Sascha sascha.jenkins@sydney.edu.au to express your interest.

Car Boot Sale - Sunday 12 October - various

Just to be clear, the P&C is NOT running a second-hand stall at this event. We will however have a cake stall, gelato and food stall.

Car Boot Sale

Canterbury Public School, Church St, Canterbury
Sunday 12 October

It’s a garage sale from the boot of your car - clean out your house, raid your garden, recycle or create.
Books, clothes, household goods, toys, homemade jams, fresh garden produce.
$20 per car pre-booked ($30 on the day).
Cars enter via Church St from 9am and must be parked by 10am, car gates reopen at 2pm.
Entry free for shoppers from 10am - 2pm.
Cake stall, BBQ, coffee, gelato.
Go to www.cpspnc.org.au for all the details and to book your spot.
All proceeds from this event will be used by the P&C to improve our school environment for all our children.
High Achievers

Congratulations to Samir Atwani and Faris Taleb-Hawcher of Year 12 2013 who have been awarded one of the nation’s top prizes for Year 12 students undertaking Vocational Education and Training in Schools (VETiS). The award recognises the skill, commitment and achievements of school students who take on vocational education in their final year. This award was presented by The Hon. Arthur Sinodinos AO and consisted of a $2000 prize and a certificate issued from the Commonwealth Government.

Years 7 and 8 Poetry

Year 7 and 8 students have participated in a series of workshops this term designed to assist them in their appreciation of poetry. A published poet and author, Tim Sinclair, came to the school to work with students in creating their own works of poetry. Students enjoyed a variety of hands-on activities, particularly publishing their poetry in and around the school.

Our sincere thanks to Red Room Poetry for providing a wonderful three days of poetic fun!

Year 7 Eminence Awards

On 26 June, the Year 7 enrichment class presented the results of their research project to an audience made up of parents, peers and CBHS staff. Each student investigated the life of an eminent individual they admire and using the PechaKucha format (a speech delivered to timed PowerPoint slides) spoke about the achievements, significance and admirable qualities of their role models.

Among those receiving an ‘Eminence Award’ from students were Bill Gates, Thomas Edison, Nelson Mandela, Roger Federer, Albert Einstein, Markus Persson, Stephen Hawking and Lionel Messi.

Ms A Robson
Gifted and Talented Coordinator
World of Maths Roadshow

On Thursday, 15 May Year 7 and 8 students experienced varied hands-on activities from the World of Maths Roadshow coming to Canterbury Boys High School. They slid, pulled and pushed objects, estimated and measured paths, determined order of objects in increasing weights and completed patterns. Wow! They all had a fantastic time and teachers had an enjoyable time helping them. The pictures tell the story...

Mrs N Simpson - Head of Mathematics

Elder Exhibition - Going Back to School

As an extension of the Elder Exhibition - A Celebration of Seniors, Year 7 students from Canterbury Boys High School invited seniors from the Canterbury City Community Centre for morning tea at their school.

With the exhibition currently hanging in their library the students felt it would be a great opportunity to meet some of the participants, interview them and create their own artworks inspired by these seniors and members of their own families.

All artworks created by the students will be revealed and presented to the Mayor of the City of Canterbury, Brian Robson, on July 25 at a special morning tea before travelling with the Elder Exhibition to the Margot Hardy Gallery, University of Western Sydney later this year.

Presentation of Artworks:
Venue: Canterbury Boys High School
Address: Holden Street, Canterbury
Time: 10.15 am

For further information please contact Nick Baldas 02 9557 8065 – nick@nickbaldas.com.au.

A Nick Baldas initiative, in partnership with Canterbury Boys High School, Margot Hardy Gallery and Canterbury City Council.

OPEN DAY 2014
