Kindergarten make a big impression!

Let’s start this newsletter with some wonderful feedback we received following Kindergarten’s excursion to Bupa Nursing Home a fortnight ago. It’s heart warming to know that our youngest students are such wonderful ambassadors for our school, great community role models and caring citizens! Kindergarten we are very proud of you!

“I was visiting my Dad at Bupa Nursing Home today, when 40 beautiful smiling happy Kindergarten children came to visit. My dad John Watson a resident of the nursing home and I would like to thank you, the children, and staff they bought tears to my Dads eyes as they sang Happy Birthday to him. He turned 92 today and they asked questions about his time at school when the children asked the question they listened to Dad with smiles on their face. Canterbury Public school should be proud of your children they were polite, friendly and caring. Well done to children and staff. Hope to see them back at the Nursing Home again soon. Regards Judy Borwick”

“On behalf of our residents and staff from Bupa Ashbury, we sincerely would like to thank you, the children, parents and volunteers who came to visit our residents today. The kids made our residents very happy and they are so delighted to see the children perform for them. We wish to plan a program for a visit again in the 2015 school year. BTW, we are taking 5 residents to your Grandparents Day celebration on 27 November.”

Some sad news

Mrs Jennie Hanna, our School Administrative Manager (SAM) of more than 27 years will sadly be leaving us in 2015 to focus on her health and to enjoy some well earned long service leave. Jennie with be with us for the first few weeks next year and then will take a period of sick leave to recover from a minor operation. After this she is likely to have the remainder of the year as long service leave. While we will miss Jennie greatly, we know this is the right thing for her health and happiness. Last week, David Taffa, Brigid McGill, Lisa Wright, Jennie and I met with Karen Meers who is one of the School Administration Officers at Strathfield South Public School. Karen has had significant experience working in many of the local schools and is currently relieving as the SAM at Balmain PS. Karen will relieve in the SAM position for all of term 1 next year and will work alongside Jennie for the first three weeks to ensure we share ‘at least some’ of the 27 years of corporate knowledge and community capital. Of course we will plan a fitting farewell when the time is right and a committee will be formed to in 2015 to begin organising this. Watch this space!

Thank you to...

* The Gardening Committee - for harnessing the energy and commitment of so many willing parent volunteers, staff and students throughout the year. As usual the garden looks terrific! It was highlighted to me earlier in the week, that a few dads need a special mention for the extra hours they contributed at the last gardening bee. Thank you to Adam Perrett (dad to Harper 1/2Q) Scott Grose (dad to Freddie 1/2R) and John Saford (dad to Luke 3/4M & Heather 5/6C) for your super contribution!
* The OOSH Working Party who have devoted many hours to investigating the options for Before and After School Care in the future - I’d like to acknowledge the high level of service these parents have given on behalf of the whole school community and on a personal note to thank them for their support as my workload which would have been considerably increased without their collaboration and support. Thank you Jacqui Cheetham (mum to Kaemon 3/4C and Kayode 2/3W), Sascha Jenkins (mum to Hal 3/4C and Alfred K/1V), Phillippa Talbot (mum to Alexander 2/3W), David Taffa (dad to Nicholas 5/6C) and Simon Lees (dad to Oliver KF) for your time and service to the school in this area. The working party will share their recommendations with the school community next Wednesday evening 10th December at the final P&C meeting for the year.

* Kiran Randhawa (English as an Additional Language Teacher), Andriana Filiopoulos (Greek Community Language teacher and EALD teacher), Rong Xie (Chinese Community Language teacher) and Bryony Heath (Assistant Principal) for their efforts in coordinating a wonderful Multicultural & Grandparents’ Day celebration. Thank you too, to the grandparents & friends that visited, the parents who presented workshops and the families who contributed the delicious offerings of food for the day (not to forget the canteen’s contribution to this as well!) It was a rich celebration of the diversity at our school which we all deeply cherish.

* Mrs Dunn (grandmother of Millie 1/2Q and Angus KK) for the thoughtful and generous donation of a beautiful Aboriginal painting ‘Warrior Hunter’ by Indigenous artist Gerry Blacklock. I will place this gift in the hands of our Indigenous Community group to decide whether they will display this in the school or use it as a special prize for one of their projects.

**Changes to the Special Education Unit in 2015**

Throughout the year, Kristy Do Canto (Assistant Principal Special Education) and I have had discussions with the Department of Education to reclassify some of the classes in the Special Education Unit to reflect the range of students’ needs. Currently we have three moderate intellectual disability classes which cater for a maximum of 10 students in each class and the capacity of 30 students across the unit. While the primary disability for all students in the Special Education Unit is a moderate intellectual disability more than half of our students have a dual diagnosis and for many of our students this is autism. In 2015, the special education classes will be reclassified to reflect our students’ needs.

3 x Moderate Intellectual Disability and Autism classes = maximum of 7 students in each class with a fulltime teacher and teacher’s aide.

1 x Moderate Intellectual Disability class = maximum 10 students in the class with a fulltime teacher and teacher’s aide.

While an extra class has been created, the maximum capacity of the Special Education Unit will only increase by one student. The benefits for our school are many, but the most obvious ones are that the students will be better catered for in smaller class sizes and that our human resources will increase by two additional fulltime staff. A fulltime Special Education teacher and a fulltime School Learning Support Officer.

While Kristy and I have had ongoing conversations with the Department of Education about a process of reclassification, we needed to move towards a decision late last week. David Taffa (P&C President) and the school executive supported the decision to proceed with the reclassification and creation of a new class. More information about this will be tabled at the P&C meeting next week.

**Special Education Classes get a Makeover**

The Special Education classrooms are currently undergoing significant enhancement thanks to the sponsorship of **Take Notice Manufacturers** who have been installing continuous pin board lining on the walls at cost price. The job may take a little time to complete as they are completing it bit by bit when they have extra time or cancelled jobs. We really appreciate their support with this project. Please check out their website and feel free to drop them a line of thanks.

I'm sure all our classrooms would benefit from a makeover like this but we'll have to be on the look out for private sponsorship or a community grant or to fund it. Suggestions anyone?

**Principal’s Morning Tea**

Last week it was my pleasure to host morning tea for about 30 students who have given service to our school in different ways. A few students forgot to come and I’ll be sharing morning tea with them after Friday’s assembly. Please read through the nominations listed in the body of the newsletter.

**Reports home today**

It’s been my pleasure to read through the yearly reports which will be going home this afternoon. I’d like to congratulate the students on their achievements as well as the teachers who have captured the these so nicely in the reports. If you have a question or concern about the report, please feel free to make an appointment with your child’s teacher before the year is out.

It’s hard to believe that the school year is almost at an end but I’m looking forward to joining with you in the host of end of year activities. This evening I have the pleasure of attending Canterbury Boys’ end of year presentation night at Canterbury Hurlstone Park RSL.

Please keep these dates at the forefront of your mind.

**Picnic Day at Enfield Pool** - TOMORROW Thursday 4th December, I will be joining everyone at about lunchtime as I’m attending my daughter’s presentation day in the morning.

**Green Thumbs Market** - THIS Friday 5th December

**Music Committee meeting** - Wednesday 10th December 6.30-7.30 in the staffroom, followed by the **final P&C meeting** for the year at 7.30pm

**Parent Helper & Scripture Teacher Thank you Breakfast** - Thursday 11th December 8.20 start

**Pennant Assembly (am) & Year 6 farewell (pm)**- Friday 12th December

**Recognition Day and Year 6 Fun Afternoon** - Monday 15th December

**Year 6 Excursion**—Tuesday 16th December

**Last day for Term 4** for students - Wednesday 17th December

Future Gardens Program 2014

For the past year, Stage 3 boys from Canterbury Public School have been attending a program at Canterbury Boys High School called the Future Gardens Program. During this program, we have helped to create amazing school gardens. We arrive in the morning and have a snack before we go off gardening with Miss Tessadri and playing sports and other cool activities with Mr Prasad. By the end of the year we have created two breathtaking gardens. All the boys and teachers at Canterbury Boys High School are extremely nice and helpful and they are always giving us guidance and a feel for what high school will be like. I think our favourite thing to do at the program was using cool gardening tools to plant all different plants in the gardens. A few of the games we played were rob the nest, indoor soccer, relay races and heaps more. This program has taught us many skills and tips for gardening and many different sports.

We would like to thank students and teachers at Canterbury Boys High School for putting together this program for us. We have really enjoyed it!

Dear Stage One Parents and Family Members,

COME TO OUR
SCIENCE FAIR!

When: Tuesday 9th December
Where: The school hall
Time: 3:00pm
RSVP: Monday 8th December (reply via email)

Hope to see you there!

From Stage On
Dear Parents and Carers,

Our welcome BBQ was a hit! A huge thank you goes to all the families who attended and contributed.

We have been thoroughly immersed in a series of projects recently including Tech Deck ramps, a centre letterbox, and we have nearly finished our news reporting box and microphones for the talented members of our Drama club.

We have now finalised our closing dates for the end of year. Our last day will be Wednesday 17th of December. Vacation care is available at Campsie OSH Care and they are currently taking bookings for the upcoming break. For more information please contact centre staff.

Our seasonal menu is currently being updated. Based on the children’s feedback and requests, new additions to the menu will now include: Fruit salad and yoghurt, pizza scrolls, and tabouleh.

Lastly, our children are hosting a Creative Arts Exhibition and Community Meeting on Wednesday 3rd December from 5pm-6pm in the school hall. We would love to see you there!

Families can contact staff at the Centre by calling: 0417 267 719 or emailing: cboshc@primaryoshcare.com.au
Please feel free to have a look at the Primary OSHC website: www.primaryoshcare.com.au

ETHICS CLASSES AT CANTERBURY

Volunteer Teachers/Facilitators sought for 2015 Ethics Classes

At present, Canterbury Public School offers Ethics Classes for K-6, and we are seeking two new teachers/facilitators for 2015

What does the Teacher/Facilitator role involve?

- Teaching Ethics Classes one time per week at the school, following the set curriculum of Primary Ethics.
- 30 minutes face-to-face time once per week, currently 9:30 AM on Thursday mornings.
- Preparation time for each class, approximately 30 minutes.
- Meeting about once per term with other Ethics Teachers from the school and the Ethics Coordinator, usually scheduled after hours.

What training is involved?

Two-day face-to-face teaching plus about 4 hours online learning. The next available training dates are: Tuesday 16 Dec & Wednesday 17 Dec 2014 at UTS (near Central Station, Sydney).

What are the selection criteria for the role?

You will need to provide a working with children declaration, and a police check. For other criteria, please see: http://www.primaryethics.com.au/ethicsteacher.html

For more information and to apply for the role, please contact Tamira Stevensen, Ethics Coordinator, Canterbury Public School: M: 0418 403486; E: Tamira@businesslawyers.com.au

What are Ethics Classes?

Ethics classes exist to develop and deliver philosophical ethics education for children who do not attend scripture classes in schools.

Ethics does not focus on moral instruction but on the reasons why something might be right or wrong.

Students in ethics classes learn thinking based on reason and evidence, engage in collaborative dialogue, and learn to express their opinions with confidence and respect. These skills help our students respond more thoughtfully to the issues and challenges they may face over the course of their lives.

For more information, you might like to watch this short video introduction to philosophical ethics http://vimeo.com/48525864

Gardening too much hard work?
Come down to Canterbury Crunch instead to help prepare some food for
Recognition Day High Tea

Free Tea & Coffee & Chatting while you work
Lebanese bread crisps, hummus, mini quiche, prep boiled eggs for
sandwiches, spinach turnovers, microwave pappadums.
Other ideas appreciated :)
Hope to see you there

Canterbury Crunch has been very successful under the guise of the P&C -- the Canteen
Committee would like to extend a huge thank you to all the volunteers, students, parents, carers
and staff for their support and patronage.

As the year draws to a close, the canteen will be winding down stock levels to prevent spoilage
over the holidays.

The canteen will remain open on the last 3 days of school (Monday 15th, Tuesday 16th and
Wednesday 17th December) however will OPERATE A LIMITED MENU on these days.

A limited selection of sandwiches & wraps will be available, plus a few limited Hot Food
choices - all lunch orders will need to be brought to the canteen to ensure that your
selection is available. Snacks, ice blocks and drinks will still be available unless sold out.

Thank you for your understanding
LAST Garden Bee of the year Saturday December 13th 2pm-5pm followed by BBQ.

- Bring a salad and something to chuck on the BBQ

We will be planting in the Sensory Garden, finishing up mulching between beds in the Veggie Garden & fiddling with sheds.

Kids can have an end of year water fight - bring your water pistols! There may even be prizes!

Bring:
- spare old carpets and rugs for laying under mulch;
- any runners extra plants you want to donate;
- your fave tool;
- some afternoon tea, a salad/something to chuck on the BBQ
- scooters, water pistols.

The garden is looking fab with sunflowers blooming, corn, kale and cucumbers, possibly carrots and a myriad of herbs ready to harvest. Grapes, olives, limes, strawberries are all on the way. The next market stall should be terrific!

We will soon put together a watering roster for the long summer school holidays. If you are around for a day or three please email Imogen Craney on imogenisgreat@gmail.com with your availability. There is the additional perk of daily pickings :)

Green Thumbs and end of year Market, Friday 5 December, 3.20 pm – 4.15 pm

Come and join for the last Green Thumbs and Market on Friday 5 December. It’s time to celebrate and share in the achievements of all those involved - the students, the teachers, parents and carers - and purchase student school-grown and school-made produce, homemade and home-grown as well as small gifts perfect for the end of the year.

A lot has been achieved this year: more school produce grown and used in the canteen; more students involved; increased learning for all around being self-sustaining and value adding; students are making and baking as part of schoolwork; all contributions are school grown, school made, homemade or home-grown; the market achieved well over its budget helping make a better learning space; and the benefits: creativity, sharing, education for all in the school community. For the full story see: http://bit.ly/Makingmarketsense

Thank you to all those from across the school community who make Green Thumbs and the Market such a great success, your dedication and generosity is inspiring.
LAST DAY THIS YEAR TO ORDER SCHOOL BANKING REWARDS - THIS FRIDAY

To ensure delivery of Reward Items by the end of Term, all orders must be in on Friday. If you are unsure how many tokens you have saved, ask Nola Williams or Cate Lyons-Crew

School Banking Reward Items Update including NEW REWARDS

It is great to see so many students reaching their goal of 10 tokens as we get close to the end of the school year. However, as a result we are experiencing an unprecedented volume of reward orders and unfortunately have run out of stock of a number of reward items.

There are 3 items still available for immediate delivery including:
- Sea Streamers
- Shark Keyring
- Scented Pencils

In addition to this we have the following items from 2013 still available for order:
- Spen Moneybox
- Pru Moneybox
- Blue Wallet
- Knuckles Jacks Game
- Headphones

Swimming Bag and the Projector Cup - In order to not disappoint students an additional order has been placed, we will not receive delivery until Term 1, 2015. All orders for these items placed now, will be delivered in Term 1.

NEW Reward items available for order this year: Two new rewards are available for immediate delivery.
