Principal’s Message

There certainly is NEVER a dull moment at CPS! Over the past two weeks we have hosted several special events and have had many highlights; a moving ANZAC day service run by the SRC, the start of PSSA, a fun-filled and challenging Cross Country carnival, an enjoyable Mothers’ Day breakfast, a training day for our beginner debaters at Clemton Park PS, a visit from the Pet Education Program and well-behaved dog ‘Slay’, a demonstration from Sport in Schools, NAPLAN testing .... and a nostalgic visit from 20 ex-students from 1954!

I’d like to thank all the staff and students for their contribution to making the past fortnight so enjoyable and memorable;

- To the SRC and senior school leaders for their endless energy, boundless enthusiasm and willingness to be of service at all times - ANZAC service, Mothers’ Day breakfast and for hosting the 1954ers. Extra special thanks to Grace, Rose, Tom T, Aaron, Olivia S, Isaac and Ava.

- To Kiranjit Randhawa and Lisa Wright for their leadership of PSSA and to all the staff coaching PSSA teams for achieving what has to be a first in a NSW public school - 98% of all students in years 3 to 6 participating in PSSA.

- To Lisa Wright for her leadership of the SRC (and all the events hosted by them) and the organisation of NAPLAN testing.

- To the Early Stage 1 and Stage 1 teachers for organising a wonderful program for the Cross Country Carnival under the guidance of Lisa Haller, their team leader. Everyone had a great time!

- To Nicole Cushway for her organisation and transport of students to the Debating training day.

- To Mai Quintal for her organisation of the Pet Education Program for students in K-2.

- To Sadie Davies and Christie Ciantar for their guidance of the student leaders in their preparation for hosting the ex-students from 1954.

Congratulations—To the very talented netballer in our midst, Chaltu S for securing a position on the zone PSSA netball team. We all wish you well for the competition ahead. Congratulations also, to Alex M who was the winner of $50.00 into his school banking account as a result of participating in the term 2 challenge to go into a draw after 3 banking deposits in the term.

This newsletter can be found on our school website—
GREAT NEWS!!!! Playgroup has found a facilitator. The Robens women, Cheryl Robens and her daughter Tess will be starting up playgroup on a Monday between 9.30-11.00am starting next week, Monday 19th May. Please bring fruit and water for your child and $2.00 to contribute towards the cost of materials.

Canteen News - currently we have an URGENT need for VOLUNTEERS. Your help is needed.
Currently there are no volunteers for Mondays, only one volunteer every second Tuesday, two on Wednesday, one on Thursdays and one person on Fridays for the first shift. Of these people only one person is new this year and we have no emergency helpers. This is the lowest number of volunteers we've ever had. Mums, dads, aunts, uncles, grandparents are all welcome to help out. PLEASE give our students, our community and school canteen some of your time.
Also we are looking for new people interested in the management of the canteen. Lynne Scouller (mum to Olivia S in year 6) has taken considerable leadership in the transformation of the canteen over the past few years and she will be leaving us at the end of this when Olivia moves onto high school. We need others to take up to the challenge in order to ensure the canteen continues to run and be a valuable service to our community.
Lastly please remember to consider ordering your child’s lunch from the canteen at least once a week or fortnight. I’ve made a commitment to order something every week but this is really easy for me to do as I LOVE the salad hummus wraps!

New furniture
We’ve been very fortunate to secure new classroom furniture for 4 of our classrooms—5/6C&D and 3/4M&C. Next year another 4 classes will be refitted!

Lastly yesterday is was my pleasure, alongside our senior school leaders to host 20 ex-students (and their wives) who attended this school 60 years ago. The picture below is of Mr Geoff Thompson the organiser of the event with his teacher Daryl Taylor who is 88 years old. The students and I thoroughly enjoyed hearing about all their nostalgic stories and memories. It was a special day for everyone. Interestingly, every single gentleman there spoke to me so highly about their teacher and the impact he’d had on their development both academically and socially. It reminded me of the huge responsibility we have as educators and parents and how special it is to be teacher in public education.

I feel very lucky to be the leading learner and principal of this wonderful school with such a rich and interesting history.

Berlinda Cook
Principal
A "Children Safety with Dogs" Pet Education Program was held at our school for K-2 students on Wednesday 7th May. The children were educated about the responsibilities of pet ownership, body language of dogs and how to approach dogs. Students were extremely engaged and interested throughout the whole session and were very eager to meet the bull terrier which the trainer brought with her to the school. A few lucky students also got to say hello to the dog by patting it at the end of the program. Madeline in 1/2Q's account of the talk: "The dog show was fun. I got to pat the dog and learnt that you have to let the dog smell your hand first before patting the dog."

Mai Quintal—Class teacher 1/2Q

On Tuesday 6th May, our new debating team members attended 'Debating Days', a workshop to teach students about all aspects of debating. They learnt about Manner, Matter and Method, as well as how to structure and deliver a convincing argument and rebuttal. Thanks to the following students who represented our school so beautifully: Tara, Jade, Ava H W, Sascha, Darcy, Rhys, Katie and Zoe.

Nicole Cushway—Class teacher 3/4C and Debating Coordinator

Uniforms

Thank you for your orders, there are now a large amount of uniforms waiting for collection from Ms McGill’s office. If you have received a pink note in your child’s bag, please come and collect your order as soon as you are able. We are still waiting on some stock, so not all orders have been filled but these will hopefully be completed in the next week or so. Until next Wednesday, orders can be collected every morning between 8.50 and 9.20 am.

Thank You

Reading Recovery Champion

Congratulations to Angelina who has successfully completed the Reading Recovery Program. Angelina is now a confident, expressive reader who loves to write.
**SRC News**  The SRC have had a very busy few weeks with leading the ANZAC Assembly, organising and running the Mothers’ Day Breakfast and stall and hosting some ex Canterbury students who returned for a 60th anniversary reunion.

We are very proud of how our student leaders represented our school on all three occasions. Mr Bill McLaren represented CHP RSL at the ANZAC assembly and the students were highly engaged in his very interesting talk. The choir sang ‘Always Remember’ by Ian Jefferson, the school captains Rose and Tom laid a wreath and many children placed flowers on the cenotaph.

The Mothers’ Day Breakfast was a very early start for teachers, students and parents but a sunny day meant it was lovely sitting in the morning sun. Parents and grandparents enjoyed a tea or coffee and some sweet treats whilst children browsed the stall and shopped for presents.

**PSSA**

Amongst much excitement students in years 3-6 have started winter interschool sport. Students are playing European handball, soccer, touch football and rugby league. With every eligible student allocated to a sports team students are developing sporting and social skills, learning to work together in teams all whilst competing against peers from other local schools. Fund raising is underway to help pay for sports jerseys and if you would like to make a donation towards the cost of purchasing jerseys please see Mrs Wright.

**Sport In Schools**  A free demonstration by Sport in Schools provided all students the opportunity to participate in a range of activities to improve fundamental movement skills. The specialised equipment provided by SIS was great fun for the students as the photos show!

I will give a prize to the person who captures in a screw top jar the most caterpillars over the next week. To enter, head into the garden, carefully look for caterpillars and capture them. Important part is caterpillar action happens asap, else there will be no vegetables leftover!! Pull the eggs of the back of the leaves too!! Feel free to take your captured caterpillars home to feed to your chooks, or a neighbours chooks, or if you can’t think who to give them to, Chloe will ‘rehome’ your caterpillars. If anyone can rustle up some old jars to leave down at the garden in the next couple of days that would be fab!! Take a photo of your captured caterpillars and tell me your name and the number, text the photo to Natalie mob. 0438 432 541 or email Chloe chloe.dervin@gmail.com Competition ends Wednesday 28th May 5pm & the Judges decision is final!!

Next Garden Bee Saturday 24th May 1:30pm-4:30pm, bring your favourite gardening tool, kids, scooters and some arvo tea to share. Please note slightly earlier start and finish times as it gets darker earlier.

Help needed to collect horse poo from Redfern Police Stables. If you have a ute or car & trailer and have some availability one morning in Week 8 or 9 of this Term, please contact Natalie. SPORTING ACHIEVEMENTS

Match report written by Junior Teremoana

As Canterbury Boys arrived at Scylla Bay Oval they were eager to show Jannali how to play football. Mr Hill said before the game “If you play as good as you look, Jannali will have a hard time winning this game.”

The game was tough and closely fought for the first 10 minutes before Ali found some space on the left edge to open the scoring. The floodgates then opened and at halftime it was 20 - nil.

Canterbury was full of confidence coming into the second half with everyone keen to get on the scoresheet. Jordan was in beast mode. He picked up the ball 30m out from the try-line and bumped, fended and piggy backed half of Jannali’s team on his way to slamming the ball down under the posts.

The game finished early due to an unfortunate injury to one of Jannali’s players. Canterbury can’t wait to play the next game versus either Rose Bay or Georges River College in round 2.

YEAR 7 SCIENCE

Year 7 students at Canterbury Boy’s High School learning to use a variety of glassware and equipment in the laboratory.

A science laboratory is a stimulating and exciting place to learn. Students in Year 7 at Canterbury Boys High School had a great first term learning how to use a large variety of equipment including Bunsen burners, test tubes, tripods, thermometers, triple beam balances and many more. The first unit of work “Enough Water Fit for Drinking” involved many experiments on physical separations of mixtures. Students also researched and discussed the benefits and risks of using recycled water for drinking.

Fostering the Visual Arts in Stage 5 at CBHS

The elective stage 5 Visual Arts students (years 9 and 10) are developing their major artworks for semester 1. The artworks are the final piece of a Body of Work themed on “Still-life and the Object”. The boys were given a choice of approaches, ranging from literal representations of the “Still-life” to post-modernist appropriated works that have been recontextualised to convey social commentary. They have the freedom to choose any media to express their ideas. Boys have chosen media and forms such as clay sculpture, canvas paintings, ink and oil pastel drawing, as well multi-media and digital works. The boys are enthusiastic and highly motivated and the completed works promise to be of a high standard.

The South Eastern and Northern Sydney Family Referral Service (FRS) provides services to agencies, young people, children and families who live in 16 Local Government Area’s (LGA’s) across South Eastern Sydney (Ashfield, Botany Bay, Burwood, Canada Bay, Canterbury, Hurstville, Kogarah, Leichhardt, Marrickville, Randwick, Rockdale, Strathfield, Sutherland Shire, Sydney, Waverley and Woollahra).

Referrals to the Family Referral Service can be from individuals which means people can call us directly, Government agencies such as Centrelink, schools, hospitals, community health centres etc and Non-Government organisations such as childcare centres, counsellors, playgroup organisations, neighbourhood centres, etc.

The Family Referral Service also provides information to agencies regarding appropriate services in their area for the children, young people or families they may be working with.

The role of the Family Referral Service is to assist children, young people and their families who would benefit from accessing local support services in their area. We are able to meet people in their local community as we are aware people are busy and trying to fit a lot into their day. The Family Referral Services assess the needs of children, young people and families and help link them to services in their local area. The Family Referral Service will have outreach sites in Carlton at the St George Family Support Services and Sutherland Shire Community Services. This is will begin early October, days and times to be confirmed.

If you have any questions regarding the Family Referral Service, please do not hesitate to call.
