The following Principal’s Message has been written by Kristy Do Canto (Assistant Principal Special Education) as Berlinda Cook is currently on leave this week.

Open Day
Firstly, a HUGE thanks to everyone who participated in our school’s Open Day on Wednesday 29th July. It was a huge success and we had an AWESOME day!! It was a fantastic opportunity to meet new community members, explore classroom learning environments and hear about the latest programs running at Canterbury P.S, including the new launch of the Social Emotional Learning Program—You Can Do It!

Social Emotional Learning
Social and emotional learning is currently a major focus at our school. We have embarked on our new journey of implementing the You Can Do It! (YCDI!) program. The aim of the program is to support students and the community, to optimise the social, emotional, and academic outcomes of all young people. This is done through the explicit teaching of the ‘5 Keys of Success’; Oscar Organised, Pete Persistence, Connie Confidence, Gabby Get Along and Ricky Resilience. Please read the information provided in the newsletter detailing how you can help children to become confident citizens.

This Term our focus is on
Connie Confidence
Student Dance Workshops Thurs After School

This term Kellie Reed a Dance Teacher from Canterbury Girls High School is offering free afternoon dance workshops. The dance workshop will be each Thursday straight after school in the hall. It is suitable for students Yr4-6 but younger students may be accepted by audition. There will be an information session 3.30pm Thursday 20th August in the Hall and all interested students and/or Parents and Carers are welcome.

K-6 Sports Assembly this Friday 14th August 2.30pm

Parents and Carers welcome!
A special Sports Assembly will be held in the Hall this Friday afternoon to announce house points from our K-6 Athletics Carnival and award ribbons to students who placed 1st, 2nd, 3rd and 4th in the finals of each event.

Some nice feedback. WOW! wow wow - those performances by the students were really great, please pass on our gratitude for the wonderful assembly! A HUGE thanks to everyone for the effort in organising the open day. I brought along my son who will start Kindy next year - he felt like a real big boy attending the assembly and enjoyed seeing inside his big sisters classroom.

Many thanks, Cate Lyons-Crew (Mum to Pandora 1/2R)

Definition of Confidence:
Confident young children are not afraid to make mistakes when learning something new. They believe that they will be successful if they try hard. They only ask for their teacher’s help when they have tried their very best. Confident young children are not afraid to meet new classmates. They expect to be liked and make friends. And when someone wants them to do something they don’t want to do, confident children tell them nicely what they want to do. Confident young children make themselves big and tall and speak in a voice that everyone can hear but is not too loud.

Examples of Confident Behaviour in Your Child:
- Chooses to participate in a new activity with new friends
- Shares what happened during the day with his/her family
- Introduces himself/herself to someone new
- Looks at people directly in the eye when speaking to them
- Speaks loudly enough so everyone can clearly hear
- Does a new activity without first asking for help
- Says “good-bye” to parents or babysitter and knows they will return to pick him/her up
- Says “hello” to a new friend

Ways to Praise Your Child for Confident Behaviour:
- “That took confidence.”
- “You were brave to do that all by yourself.”
- “Good for you. You were not afraid try something new.”
- “You see, we all make mistakes when we learn something new.”
- “You look and sound confident.”
- “You did not get upset with yourself for not finishing that difficult puzzle.”

Teach Your Child the Following Types of Thinking (Self-Talk):
- Accepting Myself: I am likeable and good at doing many things.
- Taking Risks: It is okay to make mistakes when learning something new.
- Being Independent: It is good for me to try new activities by myself and it is okay to ask for help if I need it.
Handout 1.
Practical Things You Can Do to Develop Confidence in Your Child

- Give your child a special responsibility (e.g., special role or job).
- Ask your child questions you know he/she can answer. Prompt him/her before asking question so he/she is prepared and experiences success.
- Set aside time each day for your child to demonstrate what he/she has learned at school.
- Help your child to identify and develop individual interests and talents by showing interest in and excitement about areas of your young child’s skills and talents.
- Do not give your child too much attention when he/she expresses negative feelings about school work.
- Encourage your child to speak up when asked a question.
- Encourage your child to have eye contact with adults (if appropriate to your culture) or others, when being spoken to.
- Practise asking your child his/her name and age so that he/she can respond with a confident, clear voice.
- Provide your child with many opportunities to do things where he/she can be successful. Provide praise at these times.
- Praise your child for trying something new.

NAPLAN 2015 results will be provided to schools from mid-August to mid-September, depending on your state or territory Test Administration Authority.

If you are the parent of a student in Years 3, 5, 7 or 9 you will be receiving an individual report of your child’s results for the tests they sat in May. These tests in key areas of literacy and numeracy provide parents and educators with a snapshot of how students are progressing — individually, as part of their school community and as a nation.

NAPLAN results enable parents and teachers to see how students are progressing, not just within their class but also against national standards that have been agreed upon by all state and territory governments.

How do I read the results?

The front page of the student report provides some general information about the tests and an explanation of how to read the report.

The second and third pages have diagrams that show your child’s results for each area (numeracy, reading, writing, spelling, grammar and punctuation) on the common assessment scale. The common assessment scale has ten bands and is used to report results for Years 3, 5, 7 and 9 students. However, only the relevant six bands for each year level are shown on the student report.

The diagrams in the student report also show the range for the middle 60 per cent of students, the national average result and the national minimum standard for each year level. Reports in some states and territories show the school average.

The final page of the report has a table that provides a brief description of the skills students have typically demonstrated in the tests at each band.

How to read the achievement scale

A student’s result is shown on an achievement scale for each assessment area.

Results across the Years 3, 5, 7 and 9 literacy and numeracy assessments are reported on a scale from Band 1 to Band 10. The achievement scale represents increasing levels of skills and understandings demonstrated in the assessments.

For example, the large majority of results for Year 3 are reported across the range of Band 1 to Band 6, as illustrated in the diagram above.
How does NAPLAN help my child and my school?

NAPLAN is designed to provide data on a student’s literacy and numeracy achievements. It complements school assessment and provides nationally comparable data that allow for objective discussions, for successes to be celebrated, additional support focussed where it is needed and to address areas requiring improvement.

NAPLAN allows for an understanding of a child’s literacy and numeracy ability at a school, state and national level. It helps governments to know whether programs designed to improve student literacy and numeracy are effective. It assists parents to know how their child is tracking against students in the same year level across Australia.

Your school principal will be able to give you more details on how your school uses NAPLAN data.

Who else will see the results?

Schools will be provided with results for all students who sat NAPLAN in 2015. Schools are encouraged to use the results to celebrate success, inform their planning and address areas requiring improvement across the school.

Average school results are publicly reported on the My School website (www.myschool.edu.au). The website is updated with the previous year’s results in the first quarter of each year. My School also offers the opportunity for the community to look at a number of different aspects of each school’s profile, as well as comparisons with schools that serve similar student populations. Your child’s individual results are not available on My School.

What impact will the results have on my child’s future?

NAPLAN results can help teachers and parents direct extra attention where it is needed to help students improve their literacy and numeracy skills. As such NAPLAN tests are ‘low stakes’ for students as there are no rewards or punishments for the result a student achieves. Testing children is not new. NAPLAN is unique because it gives a national snapshot of how students are doing in the important skills of literacy and numeracy. NAPLAN does not carry the same potential consequences as ‘high stakes’ tests, such as Year 12 exams.

Some schools may ask for NAPLAN results in addition to school reports as part of the admissions process for secondary school, or for students changing schools. NAPLAN tests are not designed to be a school admission test, however, results are sometimes used to inform new schools of student needs. If you have any concerns, ACARA encourages you to talk them over with the school.

What if the results are not what I expected?

NAPLAN tests are not pass/fail tests. Students are provided with an indication of where their results are on the common assessment scale. The student report also indicates the skills and understandings that students are expected to demonstrate at each band of the scale. The same scale is used for Years 3, 5, 7 and 9 so you will be able to track your child's progress over the years.

NAPLAN results provide a snapshot of student performance on the days of the tests. There are many reasons why students may not have performed to the best of their ability, such as illness or other distractions. Equally, some students may perform much better than expected when compared against their regular classroom assessment results.

If your child’s results are either higher or lower than you expected, you should discuss these results with their teacher.

Where can I go for more information?

Your child’s classroom teacher or school principal should be your first point of contact for any concerns you might have about your child’s results.

More information about NAPLAN tests and the National Assessment Program can be found by visiting the NAP website (www.nap.edu.au).

What is ACARA?

As an independent authority, ACARA is tasked with improving learning for young Australians through the development and implementation of world class school curriculum, assessment and reporting. Our work is informed and guided by the generous assistance of a wide range of stakeholders, including teachers, principals, governments, education authorities, professional education associations, community groups and the general public. For more information, visit www.acara.edu.au
At Stewart House I had the best time of my life because I made heaps of friends. I also went to the beach, three pools, the Harbour Bridge, the zoo and to the cinema. We also had an assembly and had our own beds to sleep in. I want to go there again, but next time I go I want to go with someone.

by Jaziah  2/3 J
Festival of Instrumental Music Concert at the Sydney Opera House – Monday 3rd August 2015

A huge congratulations to our 10 amazingly talented senior strings students who performed at the Festival of Instrumental Music concert at the Sydney Opera House on Monday 3rd of August 2015. These musically gifted students who performed at the concert are Erica, Eda, Julia, Vee Jei, Sai, Toby, Greta, Sylvia, Sascha and Hugo.

I had the pleasure of listening to them rehearse throughout the day, and stay for the incredible performance in the evening. They did our school so proud and should be very proud of themselves for all their hard work. A big thank you to Rhea, our strings music teacher and conductor, for all her hard work with the students.

If you are interested in getting your child to play a strings instrument from next term, please contact me on mai.quintal@det.nsw.edu.au by the end of the week.

Thank you.
LIBRARY NOTICES:

Premier’s Reading Challenge

Please note the PRC ends on the 21st of August, which is less than 2 weeks away.

Please assist your child to log the books that they have read online before this date.

To do this, click on the following link and ask your child to login using their portal username and password.

https://online.det.nsw.edu.au/prc/logon.html

Please contact your child’s class teacher if your child does not know his/her login details.

Help needed in the library…

If you can donate some time and volunteer in the library it would be very much appreciated. We need help with, covering, returning books, re-shelving and other housekeeping jobs. Please email lisa.haller@det.nsw.edu.au with the times you are available if you are interested.

Overdue items.

It would be very much appreciated if you could help/encourage your child to have a search for any school library books at home. Your child can login to our school library database Oliver to see any overdue items. Oliver can be accessed via the Student Portal.

WHAT’S ON!

Book Fair - Mon 17th - Fri 21st Aug.
Location: School Library
Opening hours:
- Tuesday: 11.50am-12.15pm and 3.20-4.00pm.
- Wednesday: 8.30-9.00am, 11.50am-12.15pm and 3.20-4.00pm.
- Thursday: 8.30-9.00am and 11.50am-12.15pm.
- Friday: 3.20-4.00pm

Students will have an opportunity to visit the Book Fair during their library lesson and will bring home a ‘Wish list’. There is no obligation to purchase the books on the wish list, however, if you would like to, please fill out the credit card voucher, pay online or send cash in and envelope with the ‘wish list’ slip. You may prefer to visit the book fair with your child, please refer to opening times above.

Our school receives commission in the way of books for our library, based on book fair sales.

3-6 Author Talk - Fri 21st Aug.
Students in 3/4M, 3/4K and 5/6 will be attending a Book Week Author presentation at Asfield Library.

Students in K, K/1Q, 1/2R, 1/25 and 2/3 will be attending a Book Week Performance based on this year’s CBCA short-listed children books at Campsie Library.

Book Parade - Wed 26th Aug. 9.30-11.20am
Students are invited to dress up at their favourite book character and parade with their class. Children can also have their photo taken in character at the Book Parade Photo Booth, from 8.30am. Pre-order forms can be picked up from the front office and will be distributed via email.

During book week students donate books that they have finished reading. These books are then put on display (before school, lunchtime and after school) so that students and their families can choose a pre-loved book to take home and keep.

In order to participate we ask that children make a gold coin donation for each book taken. All money raised is then donated to the Indigenous Literacy Fund, which is an organisation that ensures students living in remote Aboriginal communities have access to quality children’s literature.

https://www.smore.com/9wb6q
Penny Ryan Photography has kindly donated her time to take professional ‘photo booth’ style portraits of your children in their book parade costume on Wednesday 24th August. The photo booth was a great success last year, and funds will be helping to purchase and upgrade library resources.

*Final images will be colour prints 5x7 and mounted in a card frame/folder at $15/print (examples on back)*

*They would make a lovely school memory or the perfect gift for family and friends.*

Should you wish to order a Book Week Portrait please complete the pre-order form below and place in the white payment box in the front office by Monday the 24th of August.

The photo booth will be in the staff room ready to capture your child’s fantastic costume from 8.30am and if needed after the parade also.

Kind Regards,
Lisa Haller – Teacher Librarian

Dear Parents and Carers,

We aim to broaden children’s experience in OSHC by acknowledging community events which are initiated by health, cultural or environmental issues. Recently we have been talking about and exploring the Commonwealth Youth Games which are due to take place in Samoa in September. We have just begun our own Commonwealth Youth Games at the centre! You will see us participating in a range of challenging and exciting sporting experiences over the next five weeks.

We also like to include community participation in the service by inviting families and other visitors to the Centre. If you have any suggestions for an interesting visitor or initiative of this type, please speak to staff at the centre. Similarly, if you have something to share with the children, such as information about your work life or cultural background, or even a simple story or cooking experience, we would love to have you.

Families can contact staff at the Centre by calling: 0417 267 719 or emailing: cboshc@primaryoshcare.com.au
Please feel free to have a look at the Primary OSHC website: www.primaryoshcare.com.au
Canterbury PS Music Program

COUNTLESS RESEARCH STUDIES HAVE IDENTIFIED THAT A RICH MUSIC EDUCATION RESULTS IN SUCCESSFUL ACADEMIC AND SOCIAL OUTCOMES FOR STUDENTS.

Canterbury PS has a prize winning band and string ensemble led by two very talented conductors and supported by passionate teachers and parents. Our concert band won gold at the Engadine Band Festival last term. Last week the string ensemble performed to a packed house at the Sydney Opera House.

The concert band and string ensemble are currently recruiting new members for 2016. If your child has never played an instrument before, but would like to learn – now is your chance to enrol in our music program. We have places for 20 new students (Years 2-5) to begin music lessons with tutors next term, so they will be ready to start in the training band and string ensemble next year. Music tuition is mostly onsite with lessons before and after school at an approximate cost of $40.00 per lesson. For more information please see the school website.

President’s Report

At our next PnC meeting next week on Wednesday 19 August, we will be discussing how to build business at the canteen. As a small school, we struggle to keep the canteen open five days a week. We are lucky to have a dedicated group of parents who give so much of their time to our canteen. Please come to the meeting to talk about how to keep our canteen sustainable.

TERM 3 P and C MEETINGS

I am looking forward to seeing everyone at the World Stargazing Event on Friday 21 August 2015 (http://canterburypublicschoolpnc.org.au/portfolio/stargazing-night-at-cps/).

I would like to encourage all parents to join the Canterbury P and C. It is a great way to get to know other parents, to find out more information about what is happening at Canterbury PS and to provide community input into the school’s strategic direction.

Reminder
FRIDAY is School Banking Day
Students should bring in their weekly deposit and hand it at morning dots.

Hurry! 4 weeks left to collect stickers for our school!!.
Keep those Earn & Learn stickers coming in. Pop them in the colourful collection box located in the office area at school.

Depositing the strips of stickers is great, but even better if they're already on the sticker sheets!

Our school's points so far have been entered into the Woolworths Earn & Learn Barometer. We currently have a total of 780 points which is 13 completed sticker sheets.

Week 6 Soup Special from Canterbury Crunch
Thai Chicken Soup for lunch & take home meals Tuesday - Friday. The soup is spicy & aimed at the adult palate) (while stocks last)
$5 Medium (500ml) $7 Large (700ml) Bread Roll 50c
Stargazing: 21st Aug 15

Canterbury Public & Canterbury Boys High invite you to break a stargazing record!

Where: Canterbury Public School
When: Friday 21st August
Time: 6pm (8:30pm record attempt)
Finish: Gates close at 8:45pm
Cost: $5 Adults, kids free

BBQ, Stargazing talks and star-dome, short film start from 6pm.
Bring your money $5 to purchase:
- BBQ dinner on the night ($ gold coin)
- Telescopes ($5)

~ Play Cricket at Summer Hill Cricket Club ~

It’s cricket time again and Summer Hill Cricket Club is looking forward to another successful season 2015-2016. Join the club which last season saw all Junior age groups win or contest the Finals.

Milo in2CRICKET is the introductory program focusing on learning the key skills of the game in a fun and safe environment, In2cricket is open to girls and boys of all abilities ages 5 to 7. It returns to Friday evenings at Pratten Park for 12 weeks starting in mid October through to mid March.

Juniors From in2cricket and T20 Blast, players move into the U9 and U10 competitions, playing a movified version on Saturday mornings. Players wear full cricket gear, bat for a set number of overs with any wickets deducted from the team's score. The ball used in U9s is plastic, and everyone bowls. This format is an excellent introduction to 'real' cricket. U9 and U10s Season will start early October 2015.

U12, U14 and U16. Junior Cricket is played on Saturday mornings, generally starting at 8:30am and finishing at about 12:30. All teams from the Under 10s and above use leather balls, pads, helmets and all the equipment similar to seniors.

Register anytime online at http://www.summerhillcricketclub.org.au

---

2nd Hand Uniforms

A selection of pre-loved uniforms are available from the drawers outside Mrs McGill's office. Shirts, Shorts, Pants, Skorts are priced at $2 each and Jumpers and Jackets are priced at $5 each.

Money for pre-loved uniforms should be left in the P&C money box located in Mrs McGills's office. Any donations of unwanted, washed uniforms can be left in the marked drawers.

All proceeds from 2nd hand uniforms will be used by the P&C to help fund resources for our students.

Good used condition - great for next season
Size US 4, UK 3.5
Please contact Callantha (Mum to Hugo 3/4M & Tiarrea in Kindy) or leave your details at the front office
Rewarding regular savers with amazing prizes.

We're bringing the exciting news that an intergalactic Prize Portal has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win amazing prizes.

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo2 Headphones
- 200 x $30 Booktopia Gift Certificates

Help the Dollarmites activate the Prize Portal for a chance to win

To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3 and they will automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at commbank.com.au/prizeportal to double their chance of winning a prize. (Please note, students can start the Money Mission at any time, but are required to make three deposits by the end of Term 3 to double their chance of winning.)

Win books for your school library

We're also giving schools participating in the School Banking program a chance to win one of 75 sets of children's books for their school library, valued at $200.

For more information, visit commbank.com.au/prizeportal

**What is MyTime?**

MyTime groups provide local support for mums, dads, grandparents, carers and anyone caring for a child with a disability or chronic medical condition. Socialise and share ideas with others who understand the rewards and intensity of the caring role. Groups are free and supported by a Play Helper.
